

Energy Savings Agreement

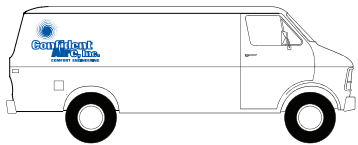

The Confident Aire Energy Savings Agreement (ESA) is the most comprehensive preventive maintenance agreement in the industry. We not only exceed our competitors standards for diagnostic measurements and recording, but we also include several general home safety checks and exterior inspection items to help you protect all that is important to you.

It is common knowledge that those of us that purchase quality the first time, and maintain (prudently) what we have continue getting ahead. Let the professionals at Confident Aire, Inc. be your partner in your safety, health, and prosperity. I am certain that once you review the tremendous value on the pages inside the right thing to do will be obvious.

Thank You for your business,

Tom Wangler Jr.
President
Confident Aire Inc.

Your **Energy Savings Agreement (ESA)** includes the following services:

TRUE Preventive Maintenance

- 2 HVAC System check-ups per year
- Testing of Smoke and Carbon Monoxide detectors
- Outdoor coil cleaning
- Preferred customer discounts
- New equipment installation benefits
- Extended warranty on replacement parts
- Priority service

HVAC System Check up

Routine maintenance which includes cleaning, lubricating, amp draws and safety controls testing will maintain proper operation and ensure the system is working efficiently. This will extend the life of system your system, avoid inconvenience, and increase energy savings.

Having your system checked regularly allows us to track it's performance history. If a reading appears abnormal, we will have the ability to compare the readings from prior visits and catch problems before they become a major repair.

When you purchase your family's ESA you will save \$48.00 more than if done individually. Plus all of the following benefits:

Outdoor Coil Cleaning

Tests performed by the EPA state as little as 1/10 of a centimeter of dirt or dust on the coil could reduce efficiency by as much as 21%.

The average household energy bill is between \$1800 and \$2600 a year. By keeping your coils clean, that's a savings of \$360 to \$520 a year.

Preferred Customer Discounts

ESA customers enjoy extra benefits and special pricing, including:

- Our lowest repair rates, 24 hours per day — even on weekends and holidays!
- Exclusive monthly promotions
- Complimentary annual air quality testing with certified Air Advice monitors.

New Equipment Installations

Every year, when you renew your agreement, your caring technician will apply a sticker to your duct with bonus \$ indicated on the sticker. These can be applied toward your next system and even some major accessories!

Extended Warranty

All replacement parts are typically warranted by their manufacturers for 30-90 days. ESA clients with active agreements get any parts we install covered for 2 years. A ll LABOR is also warranted for 2 years!

Priority Service

As an ESA client you receive 24 hour service and move to the front of the line, ahead of those calling from the yellow pages for emergency service: 24 hours a day/ 7 days a week/365 days a year.

Plus, we understand your time is important, so we schedule 1 hour time windows for technician arrival.

Plan Options

We offer the following plans:

Smooth Operator—Includes all of the benefits described above to keep things running efficiently.

Peace of Mind—Includes the above package plus an annual maintenance of your sump pumps, water heaters, and a dryer vent inspection.
